Post Caps

The blue Post Cap is available in two qualities—standard and deluxe. Standard cap is unlined and made with regulation quality sweatband. Deluxe cap is made with extra quality lining and wide genuine leather sweatband. Otherwise, caps are identical in appearance, material, lettering, etc.

Only caps purchased through National Emblem Sales have the fine quality that meets our meticulous specifications. You obtain the best from National Headquarters.

Compare the official American Legion cap with others. The best quality all-wool broadcloth is used, plus a real silk cord edging, a genuine leather sweatband that is reeded, not sewn, through and through by ma-

chine. It fits better, looks better, wears better and is better. See and feel the difference.

LETTERING

National Convention mandate limits the inscription or lettering on the left-hand (emblem) side of Post Caps to two types—style 1 and style 2. It also directs that special identifying lettering or insignia, if required, must be on the right-hand or numeral side of the cap.

STYLE 1 LETTERING

Post numerals on right-hand side and state name in full on left side below the emblem. Using this style lettering, a cap embroidered for a member of Post No. 9, in Kansas, would be embroidered: "9 Kansas."

L1275/D1—Deluxe quality **\$3.35**

L1275/S1—Standard quality **3.00**

STYLE 2 LETTERING

Post numerals on the right-hand side and name of city in full with state name abbreviated on left beneath emblem. Using Style 2 lettering, a cap for member of Post No. 9 in Topeka, Kansas, would be embroidered: "9 Topeka, Kans."

L1275/D2—Deluxe quality **\$4.25**

L1275/S2—Standard quality **3.95**

Additional lettering on the right side (opposite emblem), at 13 cents per letter—not word.
